

ACUPCC Carbon Footprint Air Travel Mileage Form

As a charter signatory of the American College and University Presidents Climate Commitment (ACUPCC), Luther College has committed to keeping an inventory of its greenhouse gas emissions on an annual basis as part of the process to reduce our carbon footprint. This commitment requires that we gather information related to all faculty, staff, and student air travel miles paid for and/or reimbursed by the college, **as well as college visitors flown to Luther on college expense.** Please fill in the following information regarding your recent trip and return the form with your expense report. If you wish, you may attach a copy of your flight itinerary.
