OTHER EXAMINATION INFORMATION

Courses meeting in the evenings will have the final examination at the usual meeting time and day.

The final examination schedule does not apply to first half semester courses.

For courses that do not follow the standard time schedule, instructors must make arrangements through the Registrar's Office for an examination time and location.

Unless the instructor has made other arrangements, the location of the final exam is the same as the course meeting location.

Students should verify final examination time and location with their instructors.
